Learner Quotes 2022-23

"I have gained so much knowledge over the last 12 months, starting of with zero knowledge about the industry I am not confident I have what it takes to be a good negotiator".

"Every session was interactive, and the trainer (Adrian) always found a way to make the 'less fun' topics enjoyable".

"I feel that the programme has enhanced my knowledge of the property industry. It has helped to breakdown everyday tasks and provided solutions to issue when they arise".

"I believe the learning was well thought through and had a range of learning and engagement".

"The programme helped a lot, particularly around all the legislation which we covered. The skills and behaviours have helped me to advice landlords and tenant, as well as equipping me with information to support all enquiries"

FAQ

How much does it cost?

For learners aged 16-18, the government covers 100% of the cost. You will also receive £1000 grant.
Learners aged 19+ require a 5% contribution from the employer, £200

How does the funding work?

Funding is reserved via your apprenticeship service account.

What is apprenticeship wage?

Apprenticeship minimum wage is £5.28 per hour.

Is there a maximum age limit?

No, as long as apprentices are gaining significant knowledge, skills and behaviours, there is no age limit.

How often will the learners have training sessions?

Learners will have a training session every month, with support available between sessions.

What is off the job training?

Off the job training is time spent during working hours, where apprentices are developing their knowledge and skills.

How do learners complete maths and English qualifications?

Learners complete online resources, before sitting their exams online, at their work location.
